

RED CROSS ROLL CALL IN HANDS WOMAN'S CLUB

Drive Starts Armistice Day; Local Workers to Wage Campaign

The Woman's Club will sponsor the Red Cross Roll Call in Arlington Heights. The Roll Call opens Armistice Day and ends Thanksgiving Day, and James B. Forgan, Jr., chairman of the Chicago chapter, states that at no time since the world war has the Red Cross had greater responsibilities than during the last year.

In Arlington Heights there was distributed the past year, more than 5,650 yards of goods; 300 dozen garments for men, women and children; 300 sweaters, and nearly 100 blankets and comforters. Mrs. H. W. Friese, chairman of the Arlington Heights Relief committee; Miss Martha E. Jackson, village nurse; and Charles Grand, township supervisor were among those who cooperated in this work.

The Chicago Chapter, American Red Cross, in making available food and clothing has lightened the burden of the major family relief agencies; it has helped thousands of unemployed to help themselves; and it has given courage to many in desperate need.

The Woman's club is preparing to make a vigorous campaign for the Roll Call, which opens Armistice Day. No one in Arlington Heights will be asked to give "the widows' mite" for that woman gave all that she had—but it is hoped that everyone with a steady income will give with the same generosity that they gave to aid those overseas and those left at home during the World War.

In addition to its normal program of service and relief to veterans disabled in the war, and to their families, it has continued its work of transcribing books for the blind; giving instruction in First Aid and Life Saving and in Home Hygiene and Care of the Sick. During one 12-week period it was rehabilitating the victims of forty-six disasters in 23 states.

The emergency task of the organization, however, was the conversion and distribution of 840,000 bales of cotton and \$5,000,000 bushels of wheat transferred to the American Red Cross by Congress from the Farm Board. The wheat in the form of flour and cereals helped to feed nearly six million families; and the cotton converted into clothes and yardage helped to clothe nearly five million.

Locally 240,697 needy families in 83 communities in Cook, DuPage and part of Lake counties received flour and cereals; and 176,697 needy families received clothing and yardage. The value of the commodities and other forms of relief made available through the Chicago Chapter amounted to nearly four million dollars. The contributions to this great work amounted to less than \$175,000. This meant a 2,500 per cent yield on the investment. Remember, Armistice Day to Thanksgiving Day are the dates and memberships are more needed now than at any time since the world war.

American Legion Dance Nov. 11 at Northwest Hills

Mt. Prospect American Legion Post No. 525, will hold a dance at Northwest Hills Country club Saturday, Nov. 11. Music by Walsh orchestra. Tickets, 50c each.

C. E. Julian, a Republican for 75 Years, Celebrates Birthday and Fiftieth Wedding Anniversary

Mr. and Mrs. Chas. E. Julian of Palatine, were married fifty years ago Monday, Oct. 30. The event was celebrated at a family dinner that evening at the home of Mr. and Mrs. H. H. Hart. Mr. Julian was 75 years old the previous day, so it was also a birthday party.

Anyone who is at all familiar with Republican history in the Northwest towns, will remember Mr. Julian as one of the staunch Republican "war horses" who has stuck by the party during successes and reverses and as he told a few friends the other evening who were congratulating him, "I must have been born a Republican. I was eight years old on my way to school when I heard that President Lincoln was shot. When ten years old I shook the hand of U. S. Grant, candidate for President. I cast my first vote in 1880 for James A. Garfield. I was employed by Cook county 37 years, fourteen years in the criminal court, three years as deputy coroner and the rest of the time in the sheriff's office, where I served under both Republican and Democratic administrations. I have enjoyed politics—its ups and downs, and I have the greatest respect for any man who stands by his beliefs, whether he is a Republican or Democrat, and I can boast that I have warm friends in both

Arlington Heights Is On the Spot

Arlington Heights is "on the spot." The Red Cross is asking the community, "do you appreciate the immense work and relief that the Red Cross has done in your community the past year?" The response given by this community to the annual Red Cross roll call which starts next week, will be the answer of Arlington Heights.

The responsibility of the roll call here, has been assumed by the Arlington Heights Woman's club and should have the support and recognition of every society and group within the village. Those who have steady employment, owe something to their neighbors who are without employment and need clothing to keep warm this winter.

Thanks to the Red Cross, the community as a community is not required to do the needy in the community. The Red Cross is doing the job for you and I and every family, not actually in want itself, should help to some extent. Let Arlington Heights show its appreciation to The Red Cross.

HOME COMING AT ARLINGTON IS SUCCESSFUL

Parade, Game, Dance Go Over Big on Gala Occasion

With 50 to 75 floats entered in the parade, a crowd of more than 800 at the game, and 150 couples at the dance, Arlington's homecoming Friday was most successful. The parade, stretching over more than four blocks, started from the high school at 2 o'clock, returning just before the game began at 3.

Floats carried out the gala football atmosphere of the occasion. Many portrayed the desired football victory over Palatine in the afternoon's game. Others represented every organization in the school and merchants of the town.

The game was very satisfactory to the homecoming crowd, who saw their alma mater trounce its ancient rival in a hard fought and exciting game. The Arlington high school football team has never been defeated by a Palatine team, but Friday's game was the hardest scrap the Cardinals have had to face to keep this record of wins unbroken.

In the evening 300 jubilant high school students and alumni returned to the high school, where they danced to the music of Len Bolte's orchestra. The dance was held in the high school gymnasium.

Another homecoming is being planned for next year, and the committee in charge of the affair Friday thank all who helped make the event successful, and the Palatine friends who loyally came to Arlington to back their own team only to see it again defeated.

W. G. MEYER CELEBRATES

Mr. and Mrs. W. G. Meyer of Arlington Heights celebrated their thirtieth wedding anniversary Wednesday. Mr. Meyer is proprietor of Meyer's Park. "Stubby" has been in the beverage business for 31 years. His many friends wish him many more anniversaries.

Luther's Birth 450 Years Ago To Be Honored

Protestants of this area will be among people of 20 denominations who are joining in a huge mass meeting at the Chicago Stadium Sunday afternoon to celebrate the four-hundred-fiftieth anniversary of Martin Luther's birth. Dr. E. Stanley Jones, missionary to India, will be the afternoon's chief speaker.

Dr. Jones is one of the world's outstanding men today. He has written a number of books, among them "The Christ of the Indian Road," a best seller. He has served some 25 years as a missionary in India, reaching the high castes there as no other has been able to do. As a scholar he is known for his wide knowledge and grasp of world events. Thousands flock to hear his message wherever he speaks.

Siebold To Be Present
Another of those who will be present will be the Rev. Theodore Siebold, another missionary in the Indian field. The meeting will begin at 3:30 o'clock, and is sponsored by the Chicago church federation and the United Foreign Missions conference.

Leading men of the various denominations are cooperating to make this gathering a success. The meeting will be open to the public, and a number of local people are planning to go.

Lutherans At Stevens
Thousands of Lutherans in the greater Chicago area are expected to gather in the convention hall of the Stevens hotel Sunday afternoon under the auspices of the Evangelical Lutheran Missouri synod to celebrate the four-hundred-fiftieth anniversary of the birth of Martin Luther, German religious reformer and founder of their church.

The Rev. G. Schuessler, president of the English district of the synod will speak on "Luther and His Day." The Rev. Alexander Ullrich, president of the northern district, will discuss "Luther and Today," and the Rev. H. W. Brange of Oak Park will discuss the subject of "Luther and Tomorrow."

400 Voice Chorus
Music will be given by the Chicago Lutheran symphony orchestra of 60 pianists and a chorus of 400 voices representing Chicago churches under the direction of Prof. J. G. Schmid. The meeting will begin at 3 o'clock, and will last an hour and a half.

The opening hymn will be "A Mighty Fortress Is Our God," Luther's battle hymn, music and words for which were written by the great reformer himself, and which is known in the original German as "Ein Fester Burg Ist Unser Gott."

Mexican Consul to Speak At Methodist Men's Club

After several weeks of effort the Men's club of the Methodist church have secured the promise of the Mexican consul to speak at their regular meeting on Tuesday, Nov. 7. Members of the program committee call this the outstanding event of the year for the club.

C. Palacios Roji, the consul, will speak at the dinner and will speak afterward about his native land. He is expected to discuss especially those parts of Mexico which may be reached by automobile tourists from the United States. The audience will also be welcome to ask Senator Roji questions on any subject related to Mexico.

The dinner will be at the usual hour of 6:45 p. m. It was decided by members of the club to extend a cordial invitation to all men of this community to attend. For their convenience tickets will be placed at Frumburg's at once. Officers of the club will also have them for sale. The price will be 35 cents. If any men would like to attend the lecture, but not the dinner, they will be welcome to come at 7:30, and no charge will be made.

Public Welcomes Permanent Safety Box Depository

Julius Flentje who has rented the former Peoples State Bank building with its equipment of Safety Deposit boxes reports that the public generally are showing their appreciation of the permanent safety box service that is now provided for them in Arlington Heights. Regular holders of boxes in the Peoples bank can use their regular boxes the same as always with no change. People with boxes in the Arlington Heights State Bank building, have only to remove their property from that building to the vault in the Peoples State Bank building, where boxes are available at the same moderate rental fee as was previously charged by the Peoples bank. For the convenience of people who have their box rent paid in advance, credit for that period will be given by Mr. Flentje.

Without a bank in the village, the operation of a system of safety deposit boxes is a necessity. That service is available to everybody, with the same safety and privacy as when it was operated under the jurisdiction of the local banks.

G. O. P. SEEKS TO BRING ABOUT HARMONY

Commissioner Busse Signs Agreement for the Fifth District

In a sincere effort to iron out difficulties and animosities within the party's ranks, leading Republicans representing the county's wards and commissioner districts met Tuesday at the Hamilton club. In addition to being addressed by such men as Silas Strawn and Frank Knox, the members drew up an agreement which was signed by all ward committee members with the exception of one, and by the members of the commissioner districts. County commissioner William Busse signed for the fifth district which he represents in party affairs. The agreement which was concurred in follows:

"The Republican Cook county central committee has completed its reorganization by the adoption of a program which spells the elimination of all factionalism and group leadership. The committee men will supervise and manage the affairs of the republican party in their own name and right without outside political interference.

Seek High Class Candidates
"Locally, we propose to select candidates for every public office of the highest type and caliber obtainable, to be approved and endorsed by an advisory committee, consisting of outstanding and most respected citizens. We are also vitally interested in electing men to congress who will support the present administration in all laudable undertakings but who will raise their voices in protest against any violation of constitutional rights, or any deviation from our traditional American doctrines.

"The principles to which we have subscribed are clear and constructive. We are motivated only by a sincere determination to restore and retain public confidence. Our program has already received the approval of divine, industrial and professional leaders in Cook county, and we solicit the support and cooperation of every citizen who has the interest and welfare of our city and county at heart."

Text of Agreement
The agreement signed by the ward committeemen follows: "We propose to unite the Republican ward committeemen of Cook county, Illinois, for the sole and only purpose of harmonizing all factions in the republican party. It is not our object to exclude anybody. We aim to recognize and give equitable representation to every leader, group or faction.

"All factional prejudices, animosities and strife are to be eliminated by the election of men who must no longer exhaust our funds and our energies in ruthless primary campaigns only to encounter disloyalties in elections. We are convinced that harmony can be brought about through this committee and we welcome the advice and counsel of all prominent republicans to attain our goal.

How Old System Worked
"Heretofore a number of our ward committeemen were obligated to certain persons whom they supported as a matter of gratitude or fear. These obligations have been paid many fold. The political ledgers are now well balanced. Every committeeman should be and now is a free man. No one has any claim upon him or his ward organization except his candid honesty. He suffered financially and politically. His organization has been demolished. His precinct captains and workers are unemployed and disheartened.

"No former leader has any right to further impose upon any committeeman by selfishly injecting himself into the political fray to the detriment of the republic. The committee men themselves should select the candidates whom they will support.

"In order to rehabilitate the republican party and restore public confidence, we must select the highest type of candidates for each and every office, men and women of unquestioned integrity, candidates with clean records who can win and retain public favor and confidence. To these candidates we pledge our wholehearted and absolute support in the primaries as well as in the elections. These candidates, if elected, should be loyal to all the committeemen of the party, consistent with honest and faithful service to the people, and not to any leader or group.

Hit Greedy Leaders
"Patronage should be incidental to party politics and not its principal objective. It should be dispensed with due regard to competency, honesty and efficiency. No one may expect more than a fair and reasonable share in its distribution. Greedy and selfish leaders have brought about political chaos and destruction and they should be discouraged and eliminated.

"To accomplish this end we bind ourselves to stand united under a caucus majority rule in the selection of candidates, adoption of policies and platforms and in the conduct and management of the affairs of our republican party with an earnest resolve to restore its usefulness which is so vital to America's welfare."

Says Schools Must Accept Postgraduates; Not Charge Tuition

The state superintendent of public instruction has ruled that high schools must accept post graduate students until they are 21 and cannot charge them tuition, H. E. Underbrink, principal of the Libertyville township high school, said recently in explaining the status of young men and women who had received high school diplomas.

Because of its bearing on the unemployed boy problem being discussed in the columns of this paper, and because Mr. Underbrink so clearly and authoritatively discussed a matter of interest to high school graduates, parents, and taxpayers, his statement is printed here in full.

"The high school graduate who finds himself without money, without work, and without prospect of work is in a critical condition. Few of the graduates of the past two years have permanent employment. To this vast number is now added the graduates pouring from schools of the nation this year. It is this situation that has given rise to the calling of this 'unemployed generation'.

In the past two years thousands of these graduates, finding it impossible to fit into the economic schemes, have returned to the high schools for postgraduate work. Faced with the financial problem of accommodating them, many boards of education have considered charging them for tuition.

"Francis G. Blair, state superintendent of instruction for Illinois, has ruled that neither step is legal. The schools must accept them until they are 21 years of age, and no tuition charge is legal.

"Hence, the already overburdened schools are being called upon to accommodate this group.

"There are two angles from which to view the problem. On the one side we find that the schools are already having financial difficulty in providing a four year course for those who attend high school. It seems an inopportune time to ask our taxpayers to dig deeper in order that our high school graduates may return for one or two years more.

"Looking at it from the standpoint of the student, we find that if the school can provide a course of study adapted to this group it will be doing a great service to the community in general and to the students in particular. Some say that the nation cannot afford to let this group of young people remain idle during these particular years of their lives.

"In many states the state universities have provided correspondence study courses which can be secured at a very small cost. In some states these courses are handled through the high school while in others they are handled direct.

In the Libertyville township high school there are at present 14 postgraduates. Some of these students are returning for but one or two subjects while others are taking full time courses.

An interview with the officials of the Arlington Heights high school reveals the fact that they fully realize the help the school could be to its graduates, but faced with an empty treasury and a shortage of teachers it is impossible to find a way to accommodate the postgraduate students at this time.

Scouters from Council Will Attend Regional Meeting at Milwaukee

It is anticipated that a number of Arlington Heights, Palatine, and Mt. Prospect men will be members of the delegation of Scouters from the Northwest Suburban area to the annual regional meeting in Milwaukee November 14. At this time interested Scout men from throughout the northern section of Illinois will assemble for a day to confer with representatives of the national council and discuss in round table sessions some of the problems involved in promotion and development of Scouting, Cubbing and Sea Scouting in their respective areas.

Arlington Federation Of Evangelical Union At Bensenville Tues.

The Arlington Heights Federation of the Evangelical Women's union will meet Tuesday at Friends' church in Bensenville at which the Rev. Wagner is pastor. There will be two sessions, one at 10 o'clock in the morning, and a second at 1:30 in the afternoon.

The Rev. Seybold, a missionary on furlough from India, will be one of the speakers. Another speaker will be the Rev. George Goebel, who will speak on the highlights of the general conference which convened recently at Cincinnati, Ohio. Special music will be offered. There will also be an open forum period on the program.

It is hoped that all local societies will make special efforts to have a good attendance at the meeting. Visitors are always welcomed.

At a recent meeting of the board of trustees of Barrington, the village attorney was instructed to draw up an ordinance requiring transient peddlers to take out licenses before playing their trades in the village. The plan would also require both solicitors and peddlers to pass examinations before working in Barrington.

INCENDIARY FIRES BREAK HALLOWEEN

Lawlessness Blamed for Loss to Property Owners at Arl. Heights

The Arlington Heights fire department was called out three times Halloween night and then they missed one fire, in which a tool storage shed and its contents belonging to an implement dealer was completely destroyed. All fires occurred within the village, the first call was sounded at 9:30 and the last about 2:30. Indications are that all four fires were acts of incendiarism on the part of boys who were looking for Halloween excitement. The fees of the firemen will cost the village well over \$100.

No alarm was turned in to the fire so far as the Herald can learn, the fire equipment at the time being in use at the Arlington Park house. The total loss on account of the four fires is given as \$1,000. The first fire was more of a rubbish nature and could have been extinguished by hand. It was on the Kennicott property, corner of Vall street and Euclid avenue.

The second alarm was sounded about an hour later and took the fire department to the south edge of Searsdale, where a barn containing hay, farm implements and tools was ablaze. The inflammable nature of the building and contents prevented the saving of the structure, except adjoining sheds. The loss to Geo. Klehm, its owner, is estimated between \$200 and \$300.

The third fire had been started about 2:30 on the floor of a vacant house in Arlington Park, owned by Mr. Hartmann of Wheeling. The exterior appearance of this building is excellent, but access to the interior by tramps and vandals had resulted in removal of light fixtures and some of the finishing lumber. It has evidently been used as a hangout for tramps. The fire was started on the floor and burned thru to the basement as well as upwards. The loss here would be considerable, if the owner elects to again place it into renting condition.

While the fire fighters were at Arlington Park subdivision, the wooden tool shed, owned by the Greenbergs, a block north of the Joe Weiner home, in the northeastern part of the village burned to the ground. Its contents, both new and used tools was destroyed. By the time the last fire was brought to attention of the village officers, the structure was down and the fire equipment could not prevent a complete loss, the "overworked" firemen were not asked to go there. Ed. Greenburg, the owner, is himself a fireman for many years, answering calls at all hours and it is to be regretted that when he needed help, nothing could be done.

Arlington Baby Clinic To Benefit by Dance at Shayne's Nov. 4th

Next Saturday night, November 4, is the big dance for the benefit of the Arlington Heights Baby Clinic at Shayne's Arlington ballroom, on Higgins road, just west of State road. There will be old time and modern dances and plenty of waltzes to the music of the Melody Mixers, famous for their waltzes. Tickets are only 25c.

There is a very urgent and immediate need for funds to carry on this splendid work for the babies of Arlington Heights. This is a good opportunity for the people of Arlington Heights to show their community spirit and help support such a worthy cause. By buying a ticket you will accomplish two things: Help a most worthy cause and assure yourself of an enjoyable evening of dancing and good clean fun.

Tickets will be on sale at the ball room the night of the dance at the same price—only 25c.

Children Bit by Dog Are Not in Danger Says Dr. B. W. Wilson

The fears of several parents whose children were bitten by an excited dog some two weeks ago were allayed Tuesday when Dr. B. W. Wilson, local veterinarian, pronounced the dog free from any dangerous disease after having him under observation.

About two weeks ago the dog, property of W. P. Slover of 90th Benton street, ran away, and in playing with the children at the Lutheran school became excited and bit several of the youngsters. The Scholow boy being most seriously injured. Through the number of his license tag police traced ownership of the animal and returned him to his home.

The following day the dog, a wire haired terrier, again got loose, and while playing with children at the Palatine Elementary school became excited and bit several of the Mollen child suffering the most serious injuries. Again the animal was returned home and placed under the observation of the veterinarian, who expressed the opinion that the dog was not vicious, but merely high strung and excitable.

Stamping Out Lawlessness

Was it Communism, Hitlerism, Fascism, or just plain banditry that influenced those responsible for the incendiary fires Halloween night? Such methods have been used in this country in efforts to awaken the public to dire need of particular groups, but it is Unamerican and should be stringently handled by those in authority.

The loss to the individual owners is considerable and whether or not they raise a hue and cry the fact remains that society demands action of some sort. If small incendiarism is allowed to pass unnoticed, the next outbreak may be upon a much greater scale.

Some people may look upon the event as a Halloween prank, but no matter what label is placed upon the action, it was not good advertising for Arlington Heights.

Funeral Held Tuesday for James S. Williams Old Arlington Resident

Funeral services for James S. Williams, former member of the Arlington Heights village board and for many years interested in the community's affairs, were held Tuesday afternoon at the Arlington Heights Presbyterian church. He was 71 years old. The Rev. Dr. H. A. Kossack officiated.

Burial was at the Arlington Heights cemetery. The Masonic burial service was held at the grave, and the Masonic quartet sang at the church services. The village's flag was flown at half mast during the services.

Mr. Williams was born in England September 23, 1862. He came to America with his parents in 1871, and the family made its first home in the vicinity of Palatine. In 1893 he married Miss Nellie Raliffe in Chicago. Mr. Williams died last Saturday in a Chicago hospital.

Mrs. Williams died several years ago. He was the last of a family of 10 children. He was married to Edith Porter, having died at her home in Chicago two weeks ago. Mr. Williams leaves a son, Claude J. Williams, and a daughter, Mrs. Willis Breese, who has always been with her father at home and cared for him to the end.

He was a member of Arlington Heights Lodge 1162 of the A. F. and A. M., and formerly a member of the Ben Hur and Palatine Lodge. A large number of relatives, friends, and lodge members attended the funeral services.

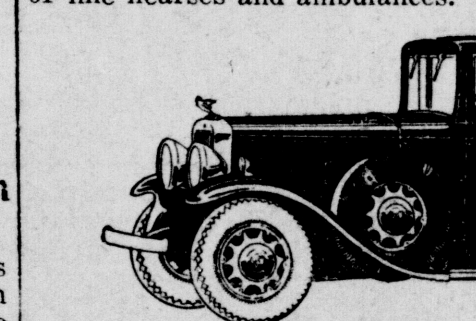

Mr. Charles Lorenzen Long Time Resident Died Tuesday A. M.

Mr. Charles Edward Augustus Lorenzen passed away at his home on West Euclid street early Tuesday morning, Oct. 31. He was sleeping quietly early in the morning, but when Mr. Lorenzen entered the room later she only found his lifeless body.

The funeral was held yesterday from the Lauterburg & Oehler chapel on West Campbell street. Interment was in Arlington cemetery. Rev. Kossack officiated. Obituary next week.

Lauterburg & Oehler Places Modern Hearse in Service

It is interesting to learn that Lauterburg and Oehler has just added a magnificent new hearse to their equipment. The S & S Majestic hearse is a new feature. It was built to their special order by the Sayers & Scoville company, of Cincinnati. They are known the world over as builders of fine hearses and ambulances.

This new hearse is a striking example of the great change that has taken place in the design of funeral cars during the past decade. Newly styled throughout, it incorporates a wealth of modern refinements. Its symmetrical proportions, sweeping lines and graceful curves strike a keynote of modernity that enable this hearse to command attention wherever it goes. A new and scintillating beauty characterizes every line of the Majestic Hearse. It is in harmony with the prevailing beauty vogue.

A new idea embodied in this car is an artistic and splendidly executed bronze panel, entitled "Remembrance," which is used in place of glass in the side quarters. This is a new feature. We are told it is the first Hearse with bronze panel in this section of the country.

The tendency today in engineering new automobiles is towards a lower center of gravity. This trend is reflected in the design of the new S & S Majestic Hearse. Low

ALCONQUIN RD. OPENING TO BE NEXT WEEK END

Celebration Planned; Parade Opens Affair; Officials Present

A grand opening of Algonquin road, paving of which was completed recently, will be held a week from tomorrow. The highway stretches from the Higgins road near Jefferson Park to the City of Algonquin, a distance of 34 miles, and is one of the longest state roads in Cook county.

The celebration is being planned by Jim Moreland, president of the Northwest Towns Improvement association, and Otto Grosse, State, county, and village officials have been invited to take part in the affair, to begin at 1:30 o'clock Nov. 11.

A parade will form on Algonquin road at Higgins road and then move to Des Plaines, where at the corner of Algonquin and Mannheim roads the opening ceremony will take place. The parade will then proceed west on Algonquin road to be met by the City officials of Algonquin.

Property owners and business men along the road have donated several hundred dollars worth of prizes, and everyone in the parade will receive a free ticket which will entitle him to an opportunity to win a prize.

Farmers along the route have agreed to give turkeys, ducks, and geese to be given among the prizes. Everyone is invited to join in the celebration.

Algonquin road is the oldest Indian trail on record in the state of Illinois. It was used by Chief Algonquin in traveling to and from Lake Michigan.

County Commissioners To Create Ten Nurseries In Preserve

Cook county has taken the lead in the movement which has the backing of the garden committee of the State Federation of Women's Clubs and of President Emmett Whealan of the Cook county commissioners.

Recently the county commissioners passed a resolution for the creation of ten nurseries, each of five or six acres, scattered at convenient points in the forest preserves for the purpose of providing, free of charge, trees and shrubs to the school districts.

Supt. Aken has offered a prize for the school in each township which will make the best improvement of its grounds between Sept. 1 and June 30 of next year. Instances were cited by Supt. Aken and Mr. Prost wherein a double hedge about school grounds had not only been more economical for fencing purposes, but had enhanced the beauty of the surroundings and of remedied eyesores that had resulted in improved morale.

O. E. S. Card Party
There will be a dessert luncheon and card party sponsored by officers and members of Arlington Heights Chapter O. E. S., on Monday, Nov. 13, at 1 p. m., at the home of Mrs. A. Jasper, 612 E. Euclid avenue, Arlington Heights. Price, 35c. Everyone invited.

ARLINGTON HEIGHTS

What is the news? Hark! Here it comes. The air with its importance hums; We have to whistle all this down, And only mention things in town; With many an auto accident, Hurt friends into hospitals sent; One church histories newer page, Where infants a play wedding stage, Others so sad tears blind our eyes.

Who can be gloomy this glorious autumn weather? Is it Roosevelt weather?

The Meltons, on the south side, heard a flock of geese fly over last Wednesday evening. I hope hunters remember, no shooting into the village.

Mr. Jack Baylis of Evanston was a welcome guest of his friend, Mr. Robert Reed Sunday.

Mrs. Schmitt, who went to visit her sister, who was ill in her home in Kansas City, has come home and is now with her son, Arthur Schmitt and family.

"Spookie Tavern" at St. Peter's hall, Friday and Saturday. Don't forget the 3rd and 4th.

Mr. and Mrs. Roy Dickerson have gone to California for the season.

Mr. and Mrs. Wm. Lewis of Watson, Illinois, are guests of his brother, Fred Lewis and family.

Mr. and Mrs. J. W. Beaty visited his mother, Mrs. D. G. Beaty last Friday.

Officer Skoog and family have moved from Mrs. Crowley's house on West Campbell street, to Arlington Park.

Mr. and Mrs. Theodore Cuny have moved into their daughter's home on South Evergreen avenue.

Mr. and Mrs. Kroeber have moved to Des Moines, Iowa, where Mr. Kroeber has secured employment.

Mr. J. S. Williams passed from this life after a lingering illness in the hospital at Evanston, Saturday, Oct. 28. The funeral was held in the Presbyterian church Tuesday afternoon.

Mrs. Siegfried Lawrence, Iowa, who has been the guest of her sister, Mrs. Charles Taegge and family, returned to her home this week.

Mr. Roscoe Reed spent a day last week in Chicago with his friend, Dr. A. H. Hirsch, who came from Wayne, Michigan, to attend the Century of Progress.

It was good for these two old time friends to meet again.

The Fessler farm workers have been harvesting the corn on the place and it is said to be a very good crop.

We were all shocked to be told of the death of Mr. Charles E. A. Lorenzen, though he has been long time helplessly ill. He passed away in his home Tuesday, October 31.

Mrs. Simonson and her daughter, Mrs. Fayette Briggs, have gone to spend the week-end at Earlville.

Mr. F. J. Durn is recovering in his home from injuries received in an auto accident last week.

Mr. and Mrs. Charles Lips attended the funeral of his uncle, Mr. George Laugitz, who died at the age of 90 years, at his home in Chicago. He was a brother of Mr. Lips' mother, who died some years ago.

Mrs. W. W. Guild accompanied her daughter, Mrs. Arthur Jenkinson to Chicago Tuesday, to share in the Woman's Day program at the Century of Progress.

Mr. George Frasinio entertained a large company of his Chicago friends in his generous hospitable way, at his country home on West Euclid.

The Old Time Pinocchio club opened the season with a lively session at the home of Mr. H. M. Blume, Monday evening.

A fire at Lake Geneva last Sunday, destroyed two summer homes. These were near the cottage of Mr. and Mrs. Bruce R. Guild. Fortunately his house was but slightly damaged, though the interior and

furnishings were more or less damaged by smoke. Too much caution cannot be used with fire these dry times.

Ernest D. Lauffer has rented his home on North Highland avenue to William Schroeder, and with his family will go to Ohio, where he has purchased a mill and will go to the milling activities. He had much experience in the work here in the Lindner mill.

Mr. and Mrs. Emil Taegge have gone to Rogers Park to spend some time with their daughter, Lorna, whose husband is a pastor in that city.

A goodly company of the Woman's club and guests, made the trip to tour Hull house settlement and meet Miss Jane Adams Wednesday week. The trip included lunch, a visit to the Garfield Park Chrysanthemum show on their return.

Miss Heiser has been shut in quite ill the past week.

Dr. H. A. Kossack was called to his old parish at Wilton Center, Iowa, to conduct the funeral of one of his former members last week Wednesday. Mrs. F. W. Schiele was fifty-one of age and her death was sudden.

Mr. and Mrs. Rudolph Rizzi on South Dunton avenue, entertained a party of relatives in their home last Sunday. Mrs. Rizzi, wishing to surprise her parents, Mr. and Mrs. J. P. Uselding, very ably gathered her guests under a veil of secrecy. The occasion was the 42nd anniversary of her parents wedding and she wanted it to be a genuine surprise. The guests were the immediate family and cousins from Aurora. Mrs. Rizzi generously entertained the guests to a fine dinner and supper. Tydols Take Game From Bartlett 7-0

The Arlington Tydols crashed through Bartlett's strong line of defense to win their third consecutive game of the season defeating Bartlett 7 to 0 in a fast and clean played battle Sunday afternoon at Red Wing Park.

With both teams putting up a strong defense and playing a heads up game the large crowd of fans that took advantage of a beautiful fall day and showed the boys they are really in back of them were treated to a real game of football, a game that all enjoyed seeing.

Battling, crashing and throwing a strong defense against each other, neither team scored until the third quarter when Arlington put over the one and only touchdown of the game when Christ Heckmiller, hard hitting fullback, along with perfect interference, carried the ball over. The extra point was scored on a beautiful pass by Ray Willert, I.H. which was thrown to Rox Holt, L.E. who put it over. When Rox gets his hands on that ball he sure goes places.

Credit must go to every member of the squad for his playing during the time he was in the game. The game was filled with good running, blocking and tackling and the outstanding highlights of the game were the tackling of Capt. George Winkelman, Ed. Witt, and Swede Johnson. Len Bolte's running back of punts. The hard hitting of Christ Heckmiller and Ray Willert along with the interference of Peanuts Meyer, Coplin, a new face in the lineup, who played a great game at quarterback and Dynamite McKaig, who got a big hand for recovering a punt in the first quarter on Bartlett's 22 yard line.

Arlington also wishes to credit Bartlett for their clean playing and sportsmanship shown in this game.

Following was the starting lineup of both teams:

Arlington Tydols	Bartlett
R. Bolte	L. E. Moosen
Harris	P. E. Baxmann
John	L. T. Raeholte
Boeger	R. T. Butles
Witt	L. G. Jensen
Bauer	R. G. Willson
Winkelman	C. E. Es
Coplin	Q. B. Benicke
W. Meyer	L. H. Reese
Willert	R. H. Fessler
Heckmiller	F. B. Zierke

Coach of Arlington: Doc. Fanning.

Referee: Grose.

On next Sunday afternoon the Arlington Tydols will travel to Sandwich, Ill., where they will meet the strong Sandwich eleven.

For the information of those that wish to drive down to see the game, Sandwich, Ill., is about fifty miles southwest of Arlington Heights. The team will leave from the Red Wing Park at 11:00 a. m.

Pets of Ancients

The remains of two mummified dogs were found in northeast Arizona recently, buried beside the bodies of ancient residents of that country. It is said that this civilization flourished between 2500 and 1500 B. C., which would indicate that dogs as pets or companions were known at that time. One of the dogs resembled a yellow-haired collie and the other was black and white, but considerably smaller. They were in a perfect state of preservation.

TO EVERYONE who pays a bill for electricity and gas

The reasonableness of electric and gas rates affects the pocketbook of every citizen, directly or indirectly. That you may understand the situation, there is published below the statement made October 24th before the Illinois Commerce Commission, at a formal rate hearing, by James Simpson, chairman of Commonwealth Edison Company, The Peoples Gas Light and Coke Company, and Public Service Company of Northern Illinois.

Mr. Chairman and Gentlemen of the Illinois Commerce Commission:

BEFORE you begin formal hearings in the citation for a reduction in rates by the Public Service Company of Northern Illinois, I ask your indulgence to present a statement. What I will say also applies to the Commonwealth Edison Company and The Peoples Gas Light and Coke Company. Reversing the time-honored order of procedure, I am prefacing my remarks with what would, under most circumstances, be the conclusion of them. That is a request—a frank, open, straight-forward request—that this body postpone hearings looking to a further downward revision of rates by the three companies mentioned, until such time as those companies and your honorable body may know more about the future than it is possible to know today.

To Avoid Increased Rates

The companies are making every effort to absorb the extraordinary and unforeseen expenses recently added to their burdens, hoping that they will not be forced to petition this Commission for relief through increased rates.

There are four major items involved in the management of these public utilities, two having to do with their revenues and two with their expenses. Let me briefly mention them:

- The first is rates. This matter is either in your hands or in the hands of the courts. The companies may initiate rates. But in the final analysis the companies have no control of the rates, their very lifeblood. I do not contend that they should have such final control, but I do contend that rates should be fair, and this means adequate to provide a reasonable return upon the capital invested for the service of the public.
- The second item, affecting the gross revenue of the companies, is the quantity of electricity and gas consumed by their customers. Over this, broadly speaking, the companies have no control. The extent of the customer's use of these services is a matter wholly of his own choice or needs. The company must sell but the customer is not required to buy. The depression and hard times have taken their toll from these companies and only recently has there been any encouraging upward trend. Consumption is still far below normal.
- The third item is our normal daily operating expenses which may be spoken of as *uncontrollable* expense. It is the only one of the four major items over which the companies have a large measure of control. Their control over this item is limited by the necessity of protecting the high standard of the service rendered. From intimate and personal knowledge of our business I know that the three companies have done a good job in reducing this part of their operating expenses.

Uncontrollable Expenses Mount

The fourth and last item is the *uncontrollable* portion of the companies' expenses. It is in part composed of state, county and local real estate and personal property taxes, state franchise taxes, state capital stock tax, federal capital stock tax, federal income tax, municipal franchise tax, federal income tax, and various other governmental charges.

Recently the Department of Finance of the State of Illinois has attempted to apply the 2 per cent Illinois Retailers' Occupational Tax—the so-called "sales tax"—to electric and gas services. The companies believe that the furnishing of these services is not retail sale of tangible property, at which the law is specifically directed. Consequently, we are contesting this tax in the courts. May I add that public utilities represent the only business that does not have the privilege of passing this tax on to the consumer.

Taxes Increase \$7,867,000 Per Year

Emphasizing further this matter of taxes, within the

past ten months the three companies have had new and increased taxes levied or proposed to be levied against them, some going back to the years 1931 and 1932, amounting to more than \$14,500,000, of which the companies had no knowledge a year ago. A portion of these increased taxes is chargeable to the years 1931 and 1932 because of the confused tax situation in Cook County. The earnings statements of the three companies for these two years reflect these increased taxes. Certain of the new taxes such as the federal tax of 3 per cent on the sale of electricity and one or two other new forms of taxation above mentioned, have been imposed under laws passed during the current year and therefore, have been effective during only a part of the year 1933. The full effect of these new and increased taxes has not yet been felt. If all these additional taxes be continued the estimated increase in taxes will amount to \$7,867,000 per year.

Further down in the list of uncontrollable expenses is the cost of investigations made by this Commission imposed within the past six months by amendments to our State Law. Even more recently there has been added to this list a substantial increase in expenses due to the codes under the National Recovery Act.

One large and unyielding element in the list is interest on outstanding bonded debts, representing capital expenditures necessarily incurred for the rendering of service to the public.

Net Revenue Drops \$18,500,000

I am not going to burden this presentation with too many figures for this Commission is thoroughly familiar with them, but I do wish to bring out one significant figure resulting from the startling trends in the three uncontrollable items to which I have just referred. It is a comparison of combined operating figures for the three companies for the year 1933 with the normal year of 1930. The reduction in the estimated gross earnings from operations of the three companies for 1933 on the one hand, and the increases in taxes and other uncontrollable items on the other hand, result in a reduction of income in excess of \$23,000,000. Partially offsetting this decrease in income, the controllable expenses will be some \$6,500,000 less in 1933 than they were in 1930. Therefore, the combined net operating income of these three companies for 1933, after the payment of interest and before the payment of dividends, will be at least \$18,500,000 less than in 1930. This graphically tells the story of the past three years.

Dividends and Stockholders

This condition quite recently made necessary the suspension of dividends by The Peoples Gas Light and Coke Company on its \$67,000,000 of outstanding capital stock. Since 1931, dividends on the \$162,000,000 of outstanding capital stock of Commonwealth Edison Company have been cut in half, and dividends on the \$63,000,000 of outstanding common stock of Public Service Company of Northern Illinois have been reduced to one-fourth of their former level.

Gentlemen, in the face of a sub-normal demand for electricity and gas, resulting in a sub-normal revenue, in the face of increasing uncontrollable expenses, and in the face of rapidly rising costs which will be accelerated if we have any form of inflation or deflation, you are asking these companies further to reduce their rates.

Economic realities must be faced. Any further rate reductions or increases in taxes are impossible at this time without seriously affecting these three companies.

Nothing is to be gained by seeking to attribute the present situation to anything that may have occurred in the past. For past history, neither the present members of the Commission nor the present management of one company are in any measure responsible. Under the trying conditions now pre-

vailing, it is our task to look forward, not backward.

Utilities' Credit Essential to Community

This community, embracing the City of Chicago and the surrounding area, is dependent in a large measure for its prosperity and growth upon these three companies. Any injury to them affecting their credit or their service inevitably means great damage to the community at large.

The maintenance of the credit of these institutions is entirely possible with reasonable rates. Whether present rates with improved conditions will be adequate for the restoration of the earnings, remains to be seen. But any reduction in rates at this time is unthinkable.

The consumer is interested in the maintenance of adequate rates because that is the only way to insure good service.

Illinois Residents Vitrally Interested

While every consideration must and should be given to our customers, our stockholders numbering over 100,000—more than 90,000 of whom reside in Illinois—must not be lost sight of. Illinois is vitally interested in the successful operation of these three companies for in its confines reside over 70,000 bondholders, 90,000 stockholders, 15,400 employees, and upwards of 65,000 other persons gainfully employed in ways dependent upon the activities of these companies. An ultra conservative family multiplier of 3 applied to this army of 240,000 persons leads one to the conclusion that one person out of every 10 in the State has a direct interest in the prosperity of these three companies.

The Public Utility Law of this State was designed to protect the investor as well as the consumer—the one who renders the service as well as the one who enjoys it. The question is far from a one-sided one. It is by no means true that a reduction in rates would injure a few and aid many. A rate reduction not warranted by prevailing conditions would bring about as great an injustice to the consumer as to the investor.

Our responsibilities as managers of these companies, and we take these responsibilities with all seriousness, are to render to our customers the best possible service at the lowest possible rates, to give to our stockholders a reasonable return on their investment, and to pay our employees a fair living wage. These things we can do only with fair and reasonable rates.

Industry in this country cannot survive unless Government permits it to earn a reasonable—and I use that word advisedly—a reasonable return on its invested capital.

Commission's Broad Interest

I appreciate the grave responsibility resting upon the shoulders of the members of the Illinois Commerce Commission, appointed by the Governor of this State to administer the Public Utility Law. I am aware of the pressure that is constantly put upon persons in your position to force reductions in rates. This pressure is always more severe in times of economic stress like the present.

Your responsibility under the Public Utility Law of guarding equally the interest of the consumer and of the investor calls for a judicious balancing of their interests, remembering that in the last analysis their interests lie along the same lines. The discharge of this responsibility calls imperatively for a facing of facts, which do not lie in your power or ours to change.

Neither you nor we can materially increase the consumer's use of electricity and gas.

Neither you nor we can control the welter of ever-increasing taxes.

Neither you nor we nor anyone else, can forestall what the trend of industry and commerce is going to be in the next twelve months. We all hope upward, but not one of us knows.

In conclusion, I repeat my request that cold, stern facts and economic realities be given the right-of-way over any other considerations and that this Commission defer its efforts to reduce rates during this period of national recovery.

Woman's Club Notes

PALATINE WOMAN'S CLUB MEETS TUESDAY

The regular meeting of the Woman's club of Palatine, which will be held Tuesday, November 7, offers something different from ordinary routine. The subject is "Handicraft as Recreation," arranged by Mrs. Wesley R. Comfort. There will be not only a fine display of handiwork, but surprises in the way of novel and beautiful arrangement of material.

DES PLAINES OBSERVES RECIPROCITY DAY

The Des Plaines Woman's club held their Reciprocity Day, Monday, October 30, entertaining guests from the 7th District of the Illinois Federation of Women's Clubs.

Artists for the afternoon were, Miss Valberding Snider, known as the "Norwegian Songbird," and Mr. Henry Jackson, pianist and accompanist, who gave a program of rare loveliness and finish.

Officers attending from Palatine club were Mrs. Nardal L. Thompson, Mrs. Stuart R. Paddock, Mrs. Frank F. Daniels, Mrs. George H. Herrmann, and Mrs. Erwin D. Orth.

RECIPROCITY DAY AT MT. PROSPECT

The Mount Prospect Woman's club extends a most cordial invitation to the women of the community to attend its Reciprocity Day program on Tuesday, Nov. 7, at 2 p. m., at the Northwest Hills Country club. Professor L. McCarthy, of Lewis Institute, will talk on "The Consumer in the N. R. A.," Miss Conchita Hernandez, a local artist will dance. She has never appeared in public in Mt. Prospect, so many will be interested in seeing her.

Refreshments To Be Served There will be no charge for this program and refreshments will be served by the executive board. Mrs. L. G. Johnson has charge of the program, and Mrs. B. C. Ivers, executive chairman, of the refreshments.

The regular monthly board meeting was held on Tuesday afternoon at the home of Mrs. B. C. Ivers.

New Members Welcomed The club is glad to welcome as new members Mrs. Baldwin, Mrs. Wacker and Mrs. Zahn.

Mrs. Lee, Ivers, Johnson, Massey, Madison and Jones attended the Des Plaines Woman's Club Reciprocity Day on Monday, October 30.

Mrs. G. Andresen and Mrs. Stanley Hoods attended the Regional conference at the Sherman Hotel, Chicago on Thursday, Oct. 26.

Eastern Star Notes

Arlington Heights Chapter held its stated meeting, Oct. 26. The officers were filled by the regular officers with the exception of the treasurer. Sister Pfingsten has been ill and so Marie Muller served as treasurer.

Georgia Pankonin and Charles Pankonin, worthy matron and worthy patrons, were escorted and she was presented with a shower bouquet and he with a white carnation. The occasion was their thirtieth wedding anniversary. Emma Laurin, soloist, sang to them, "I Love You Truly." On the Sunday previous, the officers gathered in their home in Mt. Prospect and gave them a surprise celebration. A lovely gift was presented to them at that time.

Initiation was held and Marian Jahn, daughter of Lily and Richard Jahn, past worthy matron and past worthy patron of Palatine chapter, and members of Arlington Heights chapter, was the candidate. Brother and Sister Jahn were escorted, and Sister Jahn received a beautiful bouquet. Florence Shad acted as a candidate, and Sister and Brother Jahn as worthy matron and worthy patron during the initiation ceremony.

Nov. 9, there will be a pot-luck supper and all members are invited to come and bring a favorite dish. After the meeting there will be a complimentary party.

Nov. 23, the chapter will hold Girls' Night. The officers will be filled by members of the Girls' club.

PALATINE CHAPTER HAS ADVANCE NIGHT

Mrs. Hazel DeBerge, associate matron of Palatine Chapter No. 585 O. E. S., with Frank DeBerge, associate patron, occupied the east of the chapter last Friday evening. The occasion was Advance Night and there were many chapters represented in the visitors present. The other officers of the evening were:

Mildred Sanborn, associate matron; Nelson Hauff, Arlington Heights, associate patron; Florence Steinbrink, conductress; Carla Erbet, Arlington Heights, associate conductress; Ruth Notz, Deerfield, chaplain; Viola Kruse, Glenview, marshal; Cella Bradley, Glenview, organist; Al. Ulrich, Park Ridge, secretary; Jack Notz, Deerfield, treasurer; Frances Vysial, Meadville, Adah; Margaret Ulrich, Park Ridge, Ruth; Esther Grimm, Lounsbury, Esther; Mary Simmons, Edison Park, Martha; Ruth Ewert, Des Plaines, Electa; Louise Galitz, Wheeling, Warder; Joseph Morton, Glenview, Hon. Sentinel; Frank Wente, Sentinel; Evelyn Brodway, guest of honor; Cella Hausman, instructress.

told the difficulties encountered in their cultivation. Before leaving each woman received a large bouquet of the roses, including the bus driver. The women are enthusiastic over the treatment accorded to them.

ARLINGTON WOMAN'S CLUB HOLD AUTUMN SUPPER

The Woman's club held their autumn supper in the Presbyterian church hall Wednesday, Oct. 25. The supper was furnished by the Woman's aid of the church. The tables were prettily laid and decorated with autumn leaves, fruits and flowers, miniature sheafs of corn, pumpkins, red apples, and all the gorgeous coloring and beauty of autumn leaves.

The menu, roast lamb and mint sauce, with all the appropriate accompaniments were satisfying and generously served. Yes, served at

"Early candle lighting time." The guests came with their natural appetites.

The speaker of the evening, Dr. J. F. Lee, a professor, of economics in Lewis Institute and incidentally our neighbor on the east, at Mount Prospect. His subject, "The Gold Standard" was intelligently treated. His premises and his points clear and easily understood. First, he gave a history of money; second, some of the defects of the Gold Standard; fourth, managed currency, or the compensated dollar. These points he clearly and logically elucidated. Finally, a scientific commission is necessary to manage currency. Can it be kept out of politics? Aye, there's the rub.

With his clear concise language and pleasing delivery, Dr. Lee held the undivided attention of the audience. In fact no other speaker in recent months has received much honest praise. The Woman's club are to be congratulated on their happy choice in the speaker at their autumn supper.

The club chorus gave two numbers, "The Green Cathedral" and "Night." The speaker, the music and the supper were all most pleasing and highly appreciated by the Woman's club and their guests.

EVER READY GROUP ARE ENTERTAINED AT THE MILLIGAN HOME

The Ever Ready group met Tuesday with Mrs. Milligan, the Tuesday all efficient hostess. The children this week played wedding and their seniors play theatricals, a delightful time of it. Strange people came to this party from movie land. Theatrical stars, and most amazing to all, one from Chinland, a real Chinese lady. After much bewilderment she was recognized to be our own Mrs. Whipple; Mrs. Dobbins as Marie Dressler just now at the height of popularity; Mrs. Herman, as Greta Garbo, who forsook for the moment her royal character as Queen of the Chiefs; Mrs. Behrel as the comical producer of merriment, Uncle Ezra; Mrs. Schuett was a Fire Chief, and you may be sure she soon extinguished all fires that threaten the Ever Readies helpful work.

Mrs. C. F. McElhose represented the beruffled pantelette age and did it successfully, as she does all things. Mrs. D. G. Beatty always our happy warrior as "Apple Annie" with her red apples, sold to those who could buy, gave to those who could not.

Mrs. Saar as "Aunt Jermima" carried well her part, and could, if given the occasion, prove the quality of her pancake flour. Mrs. Thomas, as witch, black cat and all, imagine our bright dignified Mrs. Thomas, as a "witch." The black cat was the most demure character present. The hostess, Mrs. Milligan, whatever character she represented as always represented the spirit of genial hospitality.

To the women, Ever Ready for kindly, helpful deeds, this was the end of a perfect day.

TOM THUMB WEDDING HIGHLY PRAISED

Yes, "the play is the thing" big and little we all "Pretend" so we staged for the little tots this pretty "make believe" wedding Friday evening, Oct. 27, in the Presbyterian church hall. The play was prettily staged and presented under the management of Mrs. Forrest Nickels (mother of Katherine, the tiny bride) assisted by Mrs. Noyes and Mrs. H. M. Blume, president of the Women's Aid society.

There were about sixty in the players company, the bridal party, and such distinguished guests as

Keith Chidley and Edith Morris United In Quiet Home Wedding

Mr. Keith Chidley, of Arlington Heights and Miss Edith Morris, of Palatine were quietly married at the home of the bride's parents, Mr. and Mrs. C. B. Morris Wednesday evening, Nov. 1, by Rev. Bloomquist, pastor of Palatine Methodist Episcopal church. The ceremony was attended by only the immediate families. The attendants were Miss Alice Chidley and Edward Chidley, sister and brother of the groom.

These two young people have been residents of this community all of their lives and have many friends who extend them congratulations. For the coming winter, they will reside at Sunset Turkey Farm on Dundee road, where Mr. Chidley is raising turkeys for the market. This work keeps him closely at home 24 hours a day to protect his flock of nearly a thousand birds and with Mrs. Chidley will be kept rather close at home until the farm crop is marketed.

Their plans for next year have not yet been announced, but Mr. Chidley finds a certain fascination in raising turkeys which is a job that is not attempted by many people in this part of Illinois.

President and Mrs. Roosevelt, Col. and Mrs. Lindbergh, distinguished singers and actors of note.

The bride and her maids were like a garden of beautiful flowers in their dainty gowns, veil, orange blossoms and all that goes to perfect the entrancing glamour of our wedding in these modern times. O, how pretty they were. Nothing has come to us in such glowing terms of praise, as has this account of the Tom Thumb wedding. Deprived of the pleasure of attending, shut in too ill to go, we must briefly tell what we hear from those who were present. Of course the bride, her maids, hold first with many. Of the bridegroom, his best man, we hear much, yet of two who sang, there is unstinted praise. Master Baldwin and Royce McWhorter, are regarded as real prodigies in vocal art or expression. We know brides are always charming, and all the maids in their glorified array are almost breath taking, but when it comes to hearing children sing as those little lads sang, it is wonderful. They were natural and there was the charm. Every one of the party were genuinely natural when came to the refreshments, and Mr. Wilton's pictures so fitting the occasion. A happy thought of Mr. Wilton much appreciated.

No play has been more successful and none received higher praise. We congratulate those whose hearts and thoughts made it all it proved to be.

KINDERGARTEN MOTHERS MEET WEDNESDAY

The Kindergarten Mothers will meet in regular session Wednesday evening, November 8, at 8 o'clock at the South Side school. Mrs. B. H. Jarvis of the F. T. A. Child Study class, will have charge of the program.

The Kindergarten roll now shows 42 members, with morning and afternoon classes, and there is something doing every minute. Acknowledgment is hereby made of the many growing plants sent to the room, and also to Mr. F. W. Giesecke for oilcloth for the sand table, and to the Heller Lumber Co., and the Arlington Elevator Co., for sand. The Kindergarten mothers deeply appreciate this co-operation.

FALL TRAINING COURSES FOR SCOUTS OPEN

Three Courses Will be Given on Wednesday Nights

The northwest suburban council of Boy Scouts will launch its fall training program with a university of scouting which will open on Wednesday, Nov. 8, in the Boy Scout room of the Des Plaines Congregational church.

The three training courses to be offered will continue each Wednesday evening, with the exception of Thanksgiving eve, Nov. 29, into December. The final meeting, a ladies' night program, will take the form of a Christmas party. All of the outdoor work in connection with the training courses will be done the week-end of Nov. 25.

Plan Training Courses

Plans for the training courses, as well as other fall and winter activities of the council, were drafted at a recent conference attended by twenty-five officials and Scout leaders of the council. The meeting, which was held at the Main Township High school, was presided over by Thomas M. Whitson, president of the council. A brief general discussion of the personnel of various council and district committees and ways and means of strengthening this personnel was followed by group discussions of plans for such council activities as camping, leadership training, court of honor, cubing, and finance. Each group reported the results of its discussion.

The three training courses to be offered are elementary and approved courses and a handicraft course. The elementary training is for those leaders who have had no previous instruction in Scout work, and will

be under the supervision of Scout Executive Charles O. Nimitz. The approved course is for graduates of the elementary course and will be conducted by Field Scout Commissioner E. J. Anderson. The course in handicraft will be under the direction of A. R. Crawford of Nile, a member of the council training committee.

Promotion Program Shaped

The training program will be conducted under the auspices of the training committee, which is planning to sponsor a number of other courses on a district basis. These will include first aid, troop committee training, and a one night course for merit badge counselors, and will be made available for the various districts throughout the winter.

A camp promotion program in connection with the council's summer camp, Oh-De-Ko-Ta, on Dyer lake, Wisconsin, was also formulated at the conference of council officials. A representation of at least six Scouts from every troop at camp is one of the objectives outlined in the program. An effort is to be made to encourage troops to send from 50 to 100 per cent of their membership to camp.

A Millionaire—In Marks
Barrington has a millionaire. At least Frank Watson claims that honor since he has two 500,000 mark Reichsbank notes issued in 1923, during the height of Germany's wild inflationary period. Watson's collection outshines that of Frank Trestik who recently showed 101,020 marks. Both wish that the sums represented dollars.

Mrs. Alma Arps and Mrs. Elmer Foster attended a luncheon in Chicago Thursday.

Christmas Seal Sale To Start Soon Here

According to reports from the Illinois State Health Department mortality from tuberculosis is showing a definite upward trend starting in May and June, 1933. This is the first time since reliable records have been kept, that it has shown an increase. This is a challenge to all who are interested in the prevention of tuberculosis. Each one can help by purchasing Christmas Seals during the coming 26th Annual Christmas Seal sale according to his ability.

The sale will begin the day after Thanksgiving in Arlington Heights under the auspices of the Arlington Heights Public Health committee. Do not confuse this with the Red Cross Roll Call, which is conducted just before this sale, nor with the seals sold by the various churches for work in their institutions.

EVERYBODY CAN EAT HOME GROWN TURKEYS THIS YEAR

There is no need to worry about your meat for this Thanksgiving. Keith Chidley, of the Sunset Poultry Farm on Dundee road has over 900 of the choicest broiler turkeys awaiting your order for delivery in time for that dinner. Keith has raised every one of them and they are prime stock.

Palatine Marine Wins Honors; In Air Service

In a letter "back home" from "Wally" Abel of South Broadway St., Palatine, who only entered the service 10 months ago, we learn that he is most enthusiastic about the service.

At Parris Island, So. Car., where he was first sent for military training, he won two medals for sharpshooting as well as high honors in bayonet fighting.

Having had considerable experience in airplane construction and amateur glider flying before entering the service, he has now obtained transfer to the air service, and is stationed at the largest post in this branch, at Quantico, Va. After completing his shop work there for licensed mechanics, he will transfer to the Flying School at Pensacola, Fla.

"Wally" is a younger brother of Charles Abel who has provided local glider news with his glider stunt accomplishments. In choosing the Marines, however, to further his aviation ambitions, Wally has selected the greatest facilities for instruction and the broadest field for experience and opportunity obtainable. At the rate of his fast progress thus far, we may also expect early aviation news and rivalry from another "Flying Abel."

RAND ROAD SPIRITUALIST CHURCH

Rand Road Spiritualist church, O. O. F. S., held its regular Friday evening services at residence of Rev. Carl H. Lynde, on Rand road, Friday, Oct. 27.

Notwithstanding the cool weather, the room was filled to capacity, not a vacant seat being in evidence. Services were conducted by Mr. C. E. Dietrich, who read the evening lesson the 12th chapter of 2nd Corinthians. Mr. William A. Dulisen of Chicago, delivered the lecture of the evening, selecting as his theme "The Vision of Paul." He is a magnetic speaker and held his audience in close attention to the subject of what Paul visioned. At conclusion of services he was greeted with congratulations, and promised to speak again on Friday evening, Nov. 10.

Mrs. Cora Fender of Chicago, was in charge of spiritual work, and gave a wonderful demonstration as to spiritual phenomena—that our loved ones do return from over the border.

Mrs. Louella Walt, of Palatine, Ill., presided at the organ, and rendered a most inspiring musical program during the evening.

Mr. Dietrich conducted the healing services and aided quite a number in their physical infirmities. Increased interest is being shown in these spiritual services, judging from the attendance. All are invited to attend, no matter what your religious belief. You will learn something of God's word as viewed by the Spiritualists. Come and hear for yourself.

CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 29.

The Golden Text was, "The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished" (II Peter 2:9).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you" (I Peter 5:8-10).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Resist evil—error of every sort—and it will flee from you" (p. 496).

Shot at Gilmer

Joseph O'Neill, 19, of Chicago, was shot recently by Henry Zielke, 17, also of Chicago, while both were guests at the Hening farm near Gilmer, north of Palatine. The boy was in a serious condition after the accident resulting from careless handling of a firearm by the other youth after the two had engaged in target practice at the farm.

Arlington Woman Has First Experience With Television

I thought your readers might be interested in my experience of being televised at the Century of Progress, in Chicago, October 24.

The man in charge asked for three volunteers out of the audience—a lady, a man and a child. After some hesitation, I volunteered to be televised and was asked my name and where I lived. I was then introduced to the audience so that they might see what I looked like in the flesh. Then I was told to go into a little room at the rear and to my right, where a light was thrown into my face from a little disk about four inches in diameter. The audience saw my face on a screen (which measured about 20x20 inches) and heard my voice thru a microphone which stood on my left. The conversation ran something like this:

Mr. R.—"Well, Mrs. Kelo, how do you like the Century of Progress?"

Mrs. K.—"Think it is just fine."

Mr. R.—"How much of it have you seen?"

Mrs. K.—"About two-thirds."

Mr. R.—"Have you any friends in the audience?"

Mrs. K.—"Yes, some friends from Colorado."

Mr. R.—"Would you like to say something to them?"

Mrs. K.—"Yes, I would like to ask Rose how her feet feel after all this walking." (Laughter from the audience.)

Mr. R.—"What are you thinking about as you stand there?"

Mrs. K.—"I'm wondering how I look on the screen."

Mr. R.—"Why, you look fine. Of course, the features are a little blurred, but that is because television is in its infancy and has not been perfected as yet."

He thanked me and I took my seat to watch the next party to be televised. I was given a card to show that I had been present on this day. This was sponsored by the Hudson-Essex people.

Mrs. W. H. Kelo.

IN MEMORIAM

In memory of our dear husband and father, George Nebel, who died Nov. 2, 1932.

Gone, dear father, gone forever; How we miss your smiling face; But you left us to remember. None on earth can take your place. Happy home we once enjoyed, How sweet the memory still; But death has left a loneliness. This world can never fill. Mrs. Nebel and Children.

IN MEMORIAM

Mrs. Augusta H. Seegitz. In loving memory of the beloved sister of Mrs. C. B. Moellering and Edw. Niemann, who was called to her heavenly home Oct. 22, 1933, at the age of 77 years.

Not gone from memory nor from love.

But to our Father's home above; 'Tis sweet to know, we'll meet again.

Where parting is no more; And that our sister we loved so well.

Has only gone before.

Loving Sister and Brother.

Injured Man Praises Care Given at Palatine Community Hospital; "Taken From Jaws of Death"

Recently, as recorded in these columns, Mr. Paul J. Mandabach of Chicago suffered a bad automobile accident on Rand road nearby and was brought to the Palatine Community Hospital at 1:15 a. m., Thursday, October 5, in a very critical condition.

We are glad to state that Mr. Mandabach is now out of danger and has returned to his home in Chicago, full of praise for the hospital, which, as he says, brought him "out of the jaws of death."

Sometimes, we here in Palatine, do not fully appreciate the value of our own hospital and what a great aid to mankind it really is.

Most of the residents of our community are familiar with this bad accident and saw the car which was smashed beyond repair. For that reason, we believe, our readers will be interested in hearing the complete story as told by Mr. Mandabach himself.

"When I was brought into the hospital at 1:15 a. m. Thursday morning, Oct. 5, first aid treatment was immediately given and it was discovered that my head was literally scalped, that I had a dislocated hip, fractured arm, impacted chest and was just about covered with cuts and bruises all over.

"The arrest of the flow of blood and the proper stimulus to permit me to go through the ordeal which was to follow were the first steps.

"It is needless to say that with out the wonderful medical attention and nursing facilities that were here at this hospital, coupled with the addition of oxygen tanks and about every well-known emergency known to medical sciences, I would not be here to tell the story.

"Whether you wish to call it living on borrowed time or whether you like the title, which I myself selected, "Snatched Out of the Jaws of Death"—it matters little, for my life was snatched from the jaws of death due to the medical and nursing attention made available to me through the Palatine Community Hospital. I am two weeks after this terrible accident, in a position to tell this story.

"I wonder how many people in a community like Palatine appreciate the wonderful facilities of this highly efficient institution of pain saving and health begetting propensities? I wonder how many realize the necessity of the contin-

GET THAT KRUSCHEN FEELING

Gain Physical Attractiveness—Be Free From Constipation, Gas, Acidity and Liver Troubles.

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. Kruschen will give any fat person a joyous surprise.

Get a jar of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first jar doesn't convince you this is the safest and surest way to lose fat—if you don't feel a superb improvement in health—no gloomily energetic—vigorously alive—your money returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world.

Veterans Celebrate Beginning of Chicago & Northwestern Railroad

Nearly 75 veterans of the Chicago and North Western railway gathered at the Century of Progress last week to celebrate the eighty-fifth anniversary of the first run made out of Chicago by the "Pioneer," Chicago's first locomotive, now on display at the fair. The photo above was made when the men, each of whom had 50 or more years of service, visited the huge "Class H" engine, the railroad's latest example of steam motive power, also on display at the fair. William Thorp of Barrington is second from the left in the picture, and Gustav H. Arps, of Palatine, is third from the left and slightly to the rear of Mr. Thorp. The latter's brother, Chas. Thorp, of Chicago, stands beside Mr. Arps.

ARLINGTON GRIDDERS DOWN PALATINE 32-13

Homecoming Crowd Sees Season's Best Offensives

Long Runs, Blocking Are Features of Exciting Game

By GERALD A. McELROY

Scoring in every period and displaying the best offense seen in the Northwest conference this season, Arlington's Cardinal gridders trounced a strong Palatine team 32 to 13 to bring thrills to their annual homecoming crowd last Friday afternoon.

Both teams' offensive tactics far outclassed their defensive skill and as a result the contest was featured by long runs and good blocking but marred by a poor exhibition of tackling.

Arlington scored their first two touchdowns before Palatine made a single attempt to advance the ball. E. Hahnfeldt kicked on first down three successive times and Palatine did not start offensive play until late in the second period.

The first touchdown drive started in midfield and was featured by a 25 yard run by Red Koelling with Steve Szasz scoring the touchdown. Not failing to convert, Palatine punted immediately after the next kickoff and another drive was stopped temporarily when Neagle recovered Koelling's fumble on the 4 yard line. Palatine punted and the Cardinals came right back as Koelling ripped through the Pirate line on a 16 yard touchdown jaunt. Again the attempt to score the extra point failed.

Pirates Use Trick Play
Palatine opened up following the kick off and Mangels started things with a 22 yard run around the Arlington left end on a fake kick. Tudyman and DePue alternated at ball carrying as the Pirates swept through the Arlington line for a touchdown on the eleventh play to climax a 65 yard march. Tudyman scored and snared a pass from Reuse for the extra point. Neither team made much headway for the remainder of the half.

An intercepted pass by Steve Szasz on his own 26 yard line halted the Pirates after they had advanced 46 yards at the start of the third quarter. Arlington got off a long punt to the Pirate 27 yard line and then blocked Hahnfeldt's punt. On the third play Koelling ran 23 yards for a touchdown through the left side of the Pirate line.

Koelling Scores Another
Early in the last period Arlington scored on Koelling's off tackle drive from the 20 yard line after nice gains by S. Szasz had placed the ball in scoring territory. Following the kick off and a Palatine punt Hertel, reserve back, scored the last counter from the 23 yard line following an end run for 23 yards by Brodman, another sub.

Palatine put over their second score on a 15 yard pass from Reuse to Neagle after Wagner and DePue had carried the ball to scoring position.

Long Runs Galore
Koelling and Steve Szasz led the Arlington attack which piled up a total of 286 yards net from scrimmage. Koelling gained 114 yards in 17 attempts for a 6 1/2 yard average and Steve was not far behind with 105 yards in 20 trips for a 5 1/2 yard average. These gains were made principally on off tackle thrusts and wide end runs and neither side of the Palatine line was immune to their long touchdowns. Koelling checked up runs of 16, 23 and 26 yards for his three touchdowns and had another gain of 25 yards. Steve Szasz was a steady gainer at from 3 to 8 yards and his best efforts were for 14 and 15 yards. Hertel and Brodman, backfield subs, tried to outshine the regulars by running the Palatine ends for 23 and 20 yards respectively to score the last touchdown.

Pirate Backs Star
Palatine's offense had its best day of the conference season and like the Arlington team was able to open big holes in the opposing line for substantial gains. Palatine's eight first downs and net total of 171 yards from scrimmage was the best mark made by the Pirates this season.

Tudyman, playing the best game of his career, carried off ground gaining honors for the Pirates with 47 yards in 8 attempts for a 6 yard average. DePue had 34 yards in 12 tries for a mark of 2 5/6. Long runs were made by Mangels with 22 yards; Wagner with 13 and Tudyman with runs of 10 and 27 yards. Palatine completed five out of ten passes for 59 yards. Arlington at-

Ping Pong Tournament To Be Held This Month

A Ping Pong Tournament sponsored by the Men's club of the Presbyterian church will be held Nov. 20, 21 and 22, at the church gymnasium. There will be three divisions: Boys' division, those up to seventeen; Men's and Women's divisions.

Registration cards can be procured at Sieburg's drug store for twenty-five cents. Some of the prizes will be on display in Sieburg's window. Admission for spectators will be ten cents.

Whether you consider yourself an expert or a novice, be sure to enter. Regardless of results, you will be assured a good time. Your registration card serves as your admission ticket for all three nights.

Churchmen in Meeting
The Wauconda Federated church was host Sunday to the meeting of district 4 of the Lake county council of religious education. Other churches in the district include those at Libertyville, Lake Zurich, Ivanhoe, Diamond Lake, Mundelein, Half Day, Prairie View, and Long Grove. Dr. C. W. Longman of Waukegan was the chief speaker.

The Palatine backfield was good on defense as well as offense and made the majority of tackles. Tudyman, Reuse and DePue usually stopped the Arlington backs if anyone stopped them for the line seldom held.

How Cardinals Trounced Pirates

First Quarter

Arlington kicked off and Palatine was penalized for clipping. E. Hahnfeldt punted on first down from the 22 yard line and S. Szasz returned the kick to the Arlington 49 yard line. Koelling gained 9 yards on two plays but S. Szasz failed to make downs. Instead of kicking Koelling rammed through the Palatine line for a 25 yard gain. S. Szasz and Koelling picked up four yards each and then Steve Szasz made it first down on the 53 yard line with a 6 yard gain. Steve scored on the following play, but his drop kick for the extra point was wide.

Arlington kicked off to Palatine's 18 yard line. E. Hahnfeldt punted on the first play and it was Arlington's ball on their own 45 yard line. Steve Szasz gained 13 yards on three successive plays and then "Red" Koelling hit the line twice for first down on the Palatine 20 yard line. S. Szasz circled left for 7 yards and Rohlfing hit the line for 1 yard. Koelling made an eight yard gain following an incomplete pass, but fumbled and Neagle recovered for Palatine on the 4 yard line. E. Hahnfeldt punted to the 46 yard line but Arlington returned to the 32 yard line. Steve Szasz made it first down on the 19 yard line with gains of 6 and 7 yards as the quarter ended. Score: Arlington, 6; Palatine, 0.

Second Quarter

Engelking stopped Koelling without gain. S. Szasz hit the line for 3 yards. Koelling slashed thru the Palatine line between right guard and tackle 16 yards for a touchdown. S. Szasz attempted a drop kick which was blocked.

Then came the big Palatine drive. Arlington kicked to Tudyman who made a 15 yard return to the 35 yard line. Mangels made but a yard on two plays aimed at left tackle. E. Hahnfeldt faked a punt and slipped the ball to Mangels who skirted Arlington's left end for 22 yards. Only the safety man stood in the way of a touchdown. DePue pushed his way through the line for 2 yards. Tudyman went through a big hole at right tackle for 8 yards. Reuse flipped a 9 yard pass to Neagle. DePue made it first down on the 19 yard line with a 3 yard gain. Tudyman again found a big hole at right tackle and was stopped by a safety man after a 10 yard gain. DePue hit through the center of the line for 8 yards to the one yard line and Tudyman plunged for the touchdown. Reuse passed to Tudyman for the extra point.

Palatine kicked off and Arlington put the ball in play on their own 44 yard line. S. Szasz made 9 yards on three plays and Koelling made it first down on the Palatine 46 yard line. Tudyman threw an Arlington ball carrier for a 5 yard loss. S. Szasz swept around right end behind good interference for 14 yards. After Koelling made it first down on a short gain Palatine recovered a fumble on their own 38 yard line. Tudyman failed to gain and on the second play a fumble by Reuse was recovered by Arlington. Arlington was penalized 15 yards for holding on a play when "Red" Koelling went around right end for 20 yards. S. Szasz gained 5 yards on the last play before the half. Score: Arlington, 12; Palatine, 7.

Third Quarter

Palatine started another touch-

down drive following an exchange of punts. From the 28 yard line Arlington was penalized for offside and then Tudyman crashed through his favorite spot at Arlington's left tackle and by shifty running picked up 27 yards to the Arlington 40 yard line. DePue made 6 yards on two plays but Palatine suffered a 15 yard penalty. Reuse tossed a 20 yard pass to Neagle. Tudyman gained 4 yards. Plays by Reuse and DePue netted 3 yards lost. Reuse passed but S. Szasz intercepted on the 28 yard line. Failing to gain, Arlington punted to the Palatine 27 yard line. Mangels and DePue made 2 yards. E. Hahnfeldt's punt was blocked and recovered by Arlington on the Palatine 29 yard line. On the third play "Red" Koelling cut through the left side of the Palatine line and raked unmolested 23 yards for the third touchdown. The try for extra point by running failed to gain the necessary 2 yards.

Arlington kicked off to the Palatine 31 yard line. Helwig tackled Tudyman for a 3 yard loss. Tudyman failed to gain. Tudyman hit very hard on an attempted pass and left the game with a sprained ankle. Palatine punted and Arlington put the ball in play on their own 49 yard line. Quarter ended. Score: Arlington, 18; Palatine, 7.

Fourth Quarter

Arlington started their fifth touchdown drive. F. Szasz started it with 6 yards. Brodman failed to gain. S. Szasz contributed 15 yards, Rohlfing collected 7 yards, S. Szasz smashed for 8 yards, Koelling lost 7 yards, but redeemed himself by circling Palatine's right end for a 20 yard touchdown run. Brodman ran around the same end for the extra point.

After the kick off and a Palatine punt, Arlington scored a sixth touchdown from their own 48 yard line on two plays by a pair of backfield substitutes. Brodman chalked up 29 yards on a wide end run and Hertel ran 23 yards to score around the Palatine right end position. Koelling plowed through center for the extra point.

Arlington kicked off to Palatine on their own 40 yard line. After two incomplete passes Hahnfeldt tossed one to Reuse for 10 yards. E. Hahnfeldt kicked a 52 yard punt which rolled out on the Arlington 3 yard line. Arlington's punt was taken by the Pirates on their opponent's 44 yard line. Wagner who replaced the injured Mangels gained 13 yards on an end run in the first ball carrying attempt of his career in first team competition. A pass was incomplete. DePue made it first down on the 20 yard line with 11 yards in three plays. DePue picked up another yard. Reuse passed to Neagle for 5 yards. A pass was incomplete. On fourth down Reuse passed to Neagle 15 yards for a touchdown. Schwartz fumbled the ball on an attempted drop kick. Palatine kicked off to Arlington as the game ended. Score: Arlington, 32; Palatine, 13.

Must Stop Creek Pollution

Officials of Elmhurst and Villa Park received notices last week from Otto Kerner, Illinois attorney general, that injunction proceedings would be instituted if the villages did not abate their pollution of Salt creek through inadequate treated sewage.

MAC SAYS

— By —
Gerald A. McElroy

We don't mean to brag, but our guess on the outcome of the Northwest conference and Big Ten football games last week turned out in every instance the way we doped them. We are encouraged to try our luck again and here they are.

Bensenville at Palatine: Bensenville has improved and will give the Pirates a battle, but Megel's outfit has too much all round class to lose.

Leyden at Arlington: both teams will score, but the Cardinal backs ought to score often.

Libertyville at Warren: Kelton's boys are going better every game, but it looks to us like Libertyville cops the conference title by winning their final game.

Minnesota at Northwestern: Minnesota rules a favorite.

Michigan at Illinois: The Wolverines clear another hurdle in the path to the Big Ten title, but it won't be an easy one.

Indiana at Ohio State: the Buckeyes by two touchdowns at least.

Wisconsin at Chicago: a battle to stay out of the conference cellar with the outcome a toss up. We are inclined to favor Chicago.

Carnegie Tech at Purdue: Carnegie beat Notre Dame, but that doesn't mean so much this year as usual. We pick Purdue.

Iowa State at Iowa: a lop sided victory for the Hawkeyes.

Wildcats Near Title

Libertyville again is outclassing all opponents and all we have to wait for this Friday evening to pronounce them football champs of the Northwest conference. The final game for Martins' team is Warren at Gurnee that day and though they meet one of their strongest rivals the outcome can hardly be considered speculative. Barrington trimmed Warren by two touchdowns and in turn was outclassed by Libertyville. Martin used 33 men in the 19 to 0 victory over Barrington last Friday.

Be On Hand Saturday

The Arlington-Leyden game will be played this Saturday on the Arlington field and should draw a good crowd. After two successive 13 to 0 defeats handed them by Libertyville and Warren, the Leyden Eagles are liable to be on the rebound when they hit Arlington. Can the Leyden ends and tackles stop Koelling and Szasz? That is the question upon which the outcome of the game will hinge. It looks like another free scoring game and that is the type the crowd delights in seeing.

Pirates Meet Last Foe

Palatine and Bensenville are the

Leyden at Arlington Saturday; Each Team Has Strong Backfield

An evenly contested game is promised Saturday afternoon when Franklin Park high school meets Arlington's Cardinals on the Arlington Heights field to contest for the runner-up position in the year's conference standings.

At present Arlington holds this, with Libertyville as conference leader, but a win by Leyden Saturday will tie the two teams in the standings. Arlington will be out to keep up their record of the past two years of having been beaten only by Libertyville. Last year's game with Leyden ended in a tie.

Leyden has more letter men back than Arlington, and this added experience may turn the tide, since each team has a high class backfield—probably the two best backfields in the conference. Work of the linemen may determine the result of the game.

Leyden has one of the hardest hitting squads in years, and Arlington will have to figure out some way of stopping Camp, the two Asstas, and Wilson. Each of Leyden's victories has been due to the excellent running of these backs. Arlington also is putting on a brother act in the two starring Szaszes.

only team in the conference which play football on a home and home basis this season and their second meeting today at Palatine is not a conference game. The Pirates have always been evenly matched with the Bensenville outfit and this game was carded to give both teams a better schedule. These two teams are the only outfits not scheduled with Libertyville this year.

Pirates Have Edge

Palatine won at Bensenville 6 to 0, but was a better team than the score indicates. Bensenville has played a much better brand of ball in recent games and we look for a good battle. John Tudyman, Pirate left half who starred against Arlington, will not be available due to a badly sprained ankle.

Close Good Season

Palatine has already closed their conference season, which was by far the best ever experienced by a Palatine high eleven. The Pirates beat Bensenville, tied the strong Warren and Barrington teams, and lost to Leyden and Arlington. Not half bad for a team having only three seniors in the lineup.

Arlington Subs Good

Grose loses his fullback, Koelling, and quarterback, F. Szasz, by graduation after this season, but he has a pair of backs coming along who may likely outshine the departing stars. Brodman and Hertel are even more elusive and shifty in broken field than their veteran teammates. Hertel carried the ball only once in the Palatine game, but ran 23 yards for a touchdown. Brodman reeled off a 29 yard end run when inserted in the same game. At Palatine Tuesday in a

second team game Hertel uncorked a 50 yard touchdown run through the entire Palatine team and Brodman, not to be outdone, followed with a touchdown on a trip of 40 yards.

Hahnfeldt Sees Action

Eddie Hahnfeldt, who came out for football for the first time about three weeks ago, has been getting plenty of opportunity to develop his natural talent for the game. Eddie has been used regularly at guard on the first eleven and has become the best punter in the conference. Megel has his eyes focused on the 1934 season and has used Eddie as fullback in the second team games where he is developing into a very good line plunger. Eddie has only one more year of competition, but mark my word, you will hear lots about that boy next season.

Record Still Clean

Libertyville's goal line is still an unknown quantity from the viewpoint of the six teams the Wildcats have met and shut out this season. In fact it has been only on rare occasions that the opposing teams have penetrated the Libertyville 20 yard line. Barrington got that close on passes Friday, and Arlington was halted in about the same spot. Keep in mind that the Wildcats have not met a set up team this year in compiling this great defensive record. Such teams as Deerfield-Shields and McKinley are among their white wash victims. McKinley, ranking second just now in the west section of the city league, was drubbed by the Wildcats 39 to 0, when Martin's whole squad saw action. And Martin looked forward to a drab sort of season with only three lettermen, but we have a hunch that he knew all the time what was coming and enjoys surprising folks.

Install Extra Baskets

Palatine is preparing for the coming basketball campaign by installing two extra goals and bank boards on the sides of the gym. These will be of the temporary type which may be pulled up out of the way when games are played. The move is a wise one and means that Palatine players will get twice as much practice on free throws as

Libertyville used their entire squad of 33 players in trimming Barrington last Friday 19 to 0. The Wildcats rang up 20 first downs to five for the Broncos and the outcome was never in doubt.

Libertyville scored two touchdowns in the second period and one in the third, but made good on the try for extra point only once when Kroll booted a place kick. The first two scores came on line plunges with Slusser and R. Stickles carrying the ball. The third was registered by Bennett after snaring a pass from Harlan in the end zone.

Barrington's only scoring threat came when three completed passes in a row gave them first down on the Wildcat 20 yard line, but they were stopped dead at that point.

Bandits Rob Chief, Deputy

Joseph Bohman, Fox River Grove chief of police, lost his star, gun, and \$9, and Howard Freeman, McHenry county special deputy sheriff, lost some cash last week when bandits held up Vinicky's restaurant at Fox River Grove while the two were among the patrons there. The thieves obtained \$150 from the cashier and helped themselves to cigars and cigarettes.

well as other types of shots. Megel is out to win some of these close games that may be decided from the free throw line. It also means that more players may be accommodated at the same time on the practice floor and is in line with Megel's policy of providing basketball opportunities for every boy interested in the sport.

Alumni Throw Passes

A forward pass combination of G. Smith to Hartman was good for four completions in a row in the third quarter and gave the Palatine town team the lone touchdown in a 6 to 0 win over Barrington, Sunday. Smith and Hartman graduated from Palatine high in 1932 and played on Megel's first football team in the local school. George Smith's punting has been a big factor in the success of the town team this season.

Rev. Mueller To Address Armistice Day Program

The annual Armistice Day program sponsored by Prospect Post No. 1337 Veterans of Foreign Wars, will again take place in Methodist Church, Saturday, Nov. 11, at Prospect, Ill., Saturday, Nov. 11, at 10 o'clock. The program assembly time is 10 o'clock. The program will be held in the Christian Day school auditorium. The principal speaker of the day will be Rev. J. E. A. Mueller of St. Paul's Evangelical Lutheran church.

Prospect Post No. 1337, V. F. W., invites each and everyone to come and help them pay tribute to their comrades of ours who have gone west.

Taps will be sounded at 11 o'clock a. m., at which time we will all bow our heads in silence for one minute.

American Legion Notes

Mount Prospect Post, No. 525

The big Armistice Night dance at Northwest Hills Country club will soon be here and every resident of Mount Prospect, is welcome and we hope to see you there. Tickets from members or at the door. Many new features and a fine time is promised, Saturday Nov. 11.

We are making a membership drive and every old member as well as any ex-service man should join at once. We are in hopes of getting fifty members this year, and here is our membership plea.

I Am Membership

I am the life and spirit of the American Legion. I am symbolic of its power and strength. The American Legion can never be any greater than I am. I spread to all corners of the world, wherever men roam I am. I treat all men alike. It matters not whether they served

WALLACE PUTS MILK PRICE UP IN LOCAL AREA

Farmers Now Get \$2.10 cwt.; \$1.45 for Cream Milk

Starting last Wednesday, dairy farmers are getting \$2.10 a hundred pounds for milk to be bottled, and \$1.45 a hundred for milk to be skimmed for cream. This is a rise of 35 cents per hundred weight over the previous price of \$1.75.

The increase was ordered by Secretary of Agriculture Wallace from Washington Monday through the machinery of the agricultural adjustment act and the AAA marketing agreement for the Chicago milk area. The price of milk to the Chicago consumer has been raised from 10 to 11 cents a quart.

The cream classification is new, milk to be used for this purpose formerly being taken from the surplus sent in over the base rate and paid for at the surplus rate, which is computed on the wholesale price

The farmer now gets \$2.10 for 100 pounds of milk. This 100 pounds contains 46 quarts, which retail at 11 cents each and bring the distributor \$5.06. Thus the costs of distribution and profits to the distributor total \$2.96, or 86 cents more than the bulk value of the liquid milk itself.

of butter. Chicago dairies are to buy 500,000 pounds of milk a day for cream.

The combination of prices under the new scale gives a blended price of about \$1.93. Since the cream classification is new, there was no

blended price under the old scale, but computing it from the prices paid, it would have been at about \$1.60. The wholesale price paid to farmers went into effect Wednesday while the boost in retail price paid by consumers did not take place until today.

Farmers Gain \$75,000
The change in price is expected to put about \$75,000 a week more into the pockets of the farmers who supply milk to the Chicago area. Even before the announcement of a price increase had been made Mayor Kelly and a Chicago city council committee on milk sent a protest telegram to Washington officials.

While endorsing the increase in the price paid to farmers, they protested the rise in the price of milk to the consumer, suggesting that the profits of the distributors are sufficient to absorb the increase in wholesale price without affecting the retail price.

Ask Chicago Hearings
At the same time the city council's committee made a plea for the small distributors who sell milk on a cash and carry basis at a price less than that charged by the large corporations. The telegram asked hearings in Chicago by Washington officials to look into the whole milk matter, especially the profits made by the distributors.

Proceedings have been started in Washington against these small milk sellers to force them to adhere to the price set by the agreement signed under the AAA by the large dealers and the Pure Milk association, receiving more than 18,000 of the farmers who produce Chicago's milk.

Costliest Parade
The world's costliest parade is the Purness procession, staged yearly by the Jains in India. Besides lavish costumes and floats, the Great Indra-draja, a 50-foot banner that must never be lowered, necessitates large payments for the temporary removal of all telephone, telegraph and trolley wires crossing the line of march.—Collier's Magazine

EAST MAINE

Mr. and Mrs. Martin Geweke entertained at dinner October 23 in honor of their son, Clifford's sixth birthday anniversary.

Mrs. Henry Steil and sons, Geo. and Chester, motored to Wisconsin recently planning to spend a week or ten days visiting relatives. They also expected to attend two wedding anniversaries.

Lawrence and Alvin Koch entertained 20 young friends at an informal party at their home with James Oct. 20.

St. Matthews Ladies' Aid sponsored an all aluminum demonstration at the school house Oct. 19. The crowd of sixty who attended found the evening interesting and instructive.

Winifred Borchardt and Alice Swanson entertained 39 girls at a costume party at the home of Winifred's parents.

Mr. and Mrs. Oren Jacks celebrated their 6th wedding anniversary Saturday evening, October 21, with a crowd of 75 guests present to join in the gay event. Bunco for the ladies and cards for the gentlemen was the first order, after which dancing was enjoyed in the basement. Everyone had such a good time. All wish Mr. and Mrs. Jacks countless more years of continued happiness together.

The Maine Township Community Chorus met at the High School for their first rehearsal Tuesday evening with over 30 members present. This chorus had its conception last spring when the chorus was organized to sing at the World's Fair in Chicago but the idea of having a township community chorus met with such enthusiasm after the success of the Civic Orchestra, that it was decided to make it a permanent civic affair. Anyone and everyone in the township who is at all interested in music is invited to attend a rehearsal and see what is being done and join the chorus. Mr. A. M. Harley is director, and temporary chairman from Des Plaines and Park Ridge respectively are Miss Marie Schaefer and Miss Bertha Wilshek, and any information desired may be obtained by getting in touch with either. A gigantic music festival is being planned for next spring at which all the music organizations of the township will take part and which promises to be an event never to be forgotten. It will be an all civic affair and the chorus too will take part.

First Postcards in Canada
Postcards first came into use in Canada in 1871 with a 1-cent card. A 2-cent card, for correspondence with the Old Country, was issued in 1877, and a double card with space for a reply came out in 1882. Envelopes of the values of 1 cent and 3 cents were issued in 1877. Two years previously, stamped wrappers for newspapers had come into general use.

Too Much Concentration
Elementary psychology points to the fact that too much concentration on a given subject defeats its purpose. Every one who has had the experience of a good night's sleep upon a difficult problem knows how easily the work goes on when resumed. Often the solution which evaded one simply pops into the mind then.—Exchange

"Tarzan the Fearless" Now at Roosevelt

The long awaited innovation in moving pictures—A new way of presenting the serial drama, is brought to you for the first time on the Roosevelt screen this week. Heretofore it has been the custom of the industry to present but one reel of a serial picture at a time; usually following the feature attraction. The intense interest that "Tarzan" stories, wants his public to feel can not possibly be during a picture of such short duration. Therefore, the producers, leaving the beaten path, bring the first installment of "Tarzan the Fearless" to the screen in full feature length. The seven weeks following will bring one installment each.

"Tarzan the Fearless," a picture that combines mystery, adventure and romance with tense emotional drama, has Buster Crabbe, the boy with Apollo's physique, in the star role.

"Broadway Thru a Keyhole" Due Soon at U. A.

Walter Winchell, Broadway columnist whose today's gossip is tomorrow's scandal, is author of the story of "Broadway Thru a Keyhole," opening soon at the United Artists Theater and featuring Cummings, Russell, Lyman and his band, Gregory Ratoff, Texas Guinan, Eddie Foy, Jr., and Barto and Mann doing their stuff.

Wm. Powell Is at McVickers

Who killed Archer Coe? That is the most baffling question that Philo Vance, the famous and debonair detective character created by S. S. Van Dine, and impersonated by William Powell in "The Kennel Murder Case," now at the McVickers Theater, ever has been called to answer.

Archer Coe is found dead in his bedroom with a revolver in his hand and not a sign of a struggle and with the door locked. He has a bullet in his brain and a scalp abrasion. The police consider it a case of suicide until Philo Vance walks into the scene and through a series of deductions, proves that it is a murder and not a suicide and then proceeds to discover the murderer.

Not only is "The Kennel Murder Case" one of the most mysterious of all of Van Dine's stories in which seven persons are found to have both a motive for the crime and an opportunity to commit it, but it carries a strange love tangle which is eventually unraveled by Vance.

May West Film in Fifth Week at Oriental

"Work, monotonous repetition, long hours and fatigue apparently mean very little to Mae West," he declares. "She is going stronger at the end of a long, hard day than when she started."

She proved it to him during the filming of her latest starring picture "I'm No Angel" now in its fifth record-breaking week at the Oriental Theater. As Tina, the carnival dancer, Miss West stood for long hours rehearsing with scores of extras the scene in which she dances "the midway." And again, there were many rehearsals of the scenes in the film in which Miss West takes on the work of a lion tamer.

The story tells of the loves and life of the million dollar beauty who is everything from a carnival "coco" dancer to a lion tamer in a "big time" circus. Men are her game, and she bags any one she wants, from a small time "chump," to big city society playboys.

Ben Bernie and Band On the Chicago Stage

Ben Bernie, the old maestro, and his orchestra will appear on the stage of the Chicago Theater for the week starting Friday, Nov. 3.

That indeed must be welcome news for thousands of Bernie fans who were sorry to see the maestro leave Chicago about a month ago, after a long stay at the College Inn and the Blue Ribbon Casino at the World's Fair. Bernie's present stay is short-lived, for after the week at the Chicago, he will himself away with his lads in a continuation of his present road trip. After that comes a long stay in a New York hotel, so it behooves all the Bernie fans to see him now or wait a year or possibly longer for his return.

For his Chicago engagement, Bernie has arranged an entire new program of song hits, novelties, and original acts.

A grand barrage of laughs, such as seldom has been heard, can be expected in the vicinity of State and Lake streets Friday, Nov. 3. On that date the long awaited "Meet the Baron," with Jack (Baron Munchausen) Pearl heading the cast, comes to the screen of the Chicago theater. In support of the Baron is what is without a doubt the greatest cast of fun makers ever assembled in a single picture.

ST. PETER'S EV. CHURCH

Paul Emmanuel Winger, Pastor Sunday schedule. 9:30 Sunday school departmentalized through-out. 10:45 a. m. English worship. 1st and 3rd Sundays German Divine worship 8:30 a. m.

In spite of a sprained ankle, Miss Mildred Tess gave one of the finest organ and choir recitals last Sunday afternoon it has been our privilege to hear. A mastery of the organ technique and interpretation was revealed which comes only after the most painstaking practice. Such ease, grace and poise which fairly made the music speak, thrilled the large audience. The choir conditions were as if poured into one harmonious piece which was doubly an achievement because Miss Tess played the organ at the same time. Unfortunately it is true that the finer the music the fewer there are who can understand and appreciate it. Music which sets the feet in motion to tom-tom rhythms brought from the jungles of Africa or our own aboriginal might of course appeal to vaster masses and release the baser emotions. So we say each to his own liking and cultural development.

Nov. 12 we will observe the 30th anniversary of the erection and dedication of the present church edifice. Messrs. John Jarmuth and Samuel Meyer are the only surviving members of the building committee.

GLENVIEW

Cloverleaf Camp Royal Neighbors of America held a Halloween party for their meeting on Thursday, Nov. 2. Those attending were asked to come in costume and enjoy a real old fashioned Halloween entertainment. Games, peculiar to the season, were played and refreshments served.

An unavoidable accident near Glenview at Milwaukee and Golf Roads cost the life of Mrs. Gladys Ahrens employed at Homewood Tavern, Milwaukee Ave. She died Tuesday morning, Oct. 24, at the Des Plaines Emergency hospital.

The students of Northbrook under the leadership of the eighth grade, staged a Halloween party at the school gymnasium Tuesday evening. A full program was presented and was approved by the faculty of the school as a suitable substitute for "street-wandering" on that evening dedicated to mischief.

Preparations are well under way for an Armistice Day dance to be given Saturday night, Nov. 11, by the local Legion and its Auxiliary unit. The place of entertainment will be the Catholic school hall.

The Catholic School Hall was the scene of happy activity last Saturday evening when the young people of that parish sponsored a successful Harvest Dance. Joe Schneider's orchestra furnished music for the throng. Norman Slonewas chairman of the committee in charge, assisted by Frank Schmidt, Dorothy Ludden, Edward Nicoli, Edward Breier, Dorothy Schweitzer, James Frake, Margaret Frake, Dorcas Mowatt, Helen Slonewas and William Ebert.

The party season was further exploited by a St. Peter's group who assembled Halloween night at the church hall in a double feature. Adults met upstairs while the younger set was congregated on the first floor of the spacious recreation house. A walk of terror was planned as the feature of the evening which had its route through the near by cemetery. The group came masked and in costume.

In a quiet wedding ceremony at St. Peter's parsonage, Miss Mildred Buecher, daughter of Mrs. John Buecher of Northbrook, became the bride of Fred Schnell, son of Mr. and Mrs. Fred Schnell of Glenview.

Highland Park authorities reopened an inquest into the death of Alphonse Henderich, Glenview garage man, said to have died of heart disease. Several mysterious circumstances led the family to appeal to Dr. Charles Taylor, Lake County coroner for a second hearing.

The Congregational young people were guests of the Methodist senior Epworth League at a Halloween party at the church Monday evening, October 30.

The Glenview Protestant Churches have made preparations to attend the Protestant mass meeting at the Chicago stadium Sunday afternoon when the largest assembly of such a group will be held in Chicago to listen to the world famous author and missionary, E. Stanley Jones.

Dr. Lloyd O. Coleman, Methodist pastor, has received materials from the Chicago Chapter of the American Red Cross and has enlisted the aid of Mr. C. Ladendorff, chairman of the local Chamber of Commerce and Rev. M. Johnson, Congregational clergyman, in furthering a Red Cross drive in the community.

Messrs. August Rennack, Fred A. Rugen and Charles Helberg, the latter of Chicago drove to Wisconsin to spend a few days with Mr. Rennack's parents and other relatives in the neighborhood of Merrill Wis. Mrs. Virginia Hall, niece of Mr. Rennack accompanied them returning to her home near Black River Falls, after visiting relatives in Chicago and Glenview, and the fair.

M. E. CHURCH

The Intermediate Epworth League held a Halloween party in the church basement the past week. 28 children were present and had a lively time. Pumpkin pie and apples were served. Mr. and Mrs. L. O. Coleman chaperoned the party.

The senior Epworth League held a Halloween party week later in the church hall, also with Mr. and Mrs. Coleman as sponsors.

Mrs. C. D. Rugen had a delightful trip to her girlhood home at Eitzen, Minn., over a recent weekend. She accompanied Mr. and Mrs. A. F. Potratz of Ontarioville, who also visited relatives on the trip. Mrs. Potratz and Mrs. Rugen were girlhood friends in Ontarioville. Numbers of the older folks remembered Mrs. Rugen as Fannie Moritz, a daughter of the Evangelical pastor at that time.

Modern One Room Schools

Of the 63 one room schools in Lake county, 62 have modern or semi-modern plumbing, and 61 have modern furnaces, a recent survey reveals. Thirty-nine of the schools in the county have made some improvement during the past year.

EAST MAINE

The festival of the Reformation will be observed in the morning service at St. Matthews Lutheran church Sunday, November 5.

The next regular meeting of the East Maine P. T. A. will be held at the school house Monday, November 6 at 7:30 p. m. New members and visitors are always welcome.

Mrs. Edward Ahrens entertained a lively round of five hundred was enjoyed.

The Henry Pries home was the scene of a jolly surprise party Saturday evening, Mrs. Elsie Ball being the honored guest. The young folks spent the time enjoyably dancing and other forms of amusement.

Mr. and Mrs. John Ahrens entertained a large crowd of relatives and friends Saturday evening at a celebration in honor of both their birthday anniversaries. The fact that the date of the birthdays was some time past did not seem to make any difference to the guests who all report a delightful time. Bunco and cards were played and a midnight lunch enjoyed.

The regular meeting of the Board of Directors of the Cook County Farmers Mutual Insurance company was held at the office of the past quarter was taken care of and among other things it was decided that the company would again, pay a dividend at the close of this year, however, only to members in good standing. The amount of the dividend to be paid will be decided on later, depending upon the financial condition of the company at the end of the current quarter.

The pupils of the public school staged a Halloween party at the school October 31.

East Maine P. T. A. are grateful to the large crowd who attended and helped make their card and bunco party a success Oct. 27th. A full house is reported. Cards and bunco for adults and children were enjoyed. Miss Martha Schaefer won the aluminum chicken fryer and Mr. Geo. Steil the basket of groceries which were the two raffle prizes offered besides the numerous other prizes for lucky players. Refreshments were served in cafeteria style.

With the first four weeks of the new bowling season already history, St. Matthews Bowling League are turning in some interesting games as they continue with their schedule. Increased interest and enthusiasm this year seems to be provided by the fact that the eight teams on schedule have sponsors which makes the rivalry and competition more keen. Following is the list of the firms sponsoring the teams. Team No. 1 Vegetable Growers Supply Co. No. 2 Niles Center Coal Co. No. 3 Reiland & Bree Truck Mfg. Co. No. 4 Loutsch Bros. Market. No. 5 East Maine Store. No. 6 Vaughn's Seed Store. No. 7 Meyer Coal Co., and No. 8 Mielke's Market.

Henry C. Kriete wishes to announce to his friends in this community that he has taken over the proprietorship and established a business in which is probably best known as the old John Nieman place at Niles. Mr. Kriete with his partner, R. J. Meyer have completely remodeled and redecorated the place and have given it the name of Sky Harbor Tavern and will serve chicken and fish dinners in addition to the regular line of lunches. Mr. Kriete is a native of East Maine and also he has spent most of his life in the city, he is well remembered by many folk in this vicinity.

ST. PAUL'S EV. LUTHERAN

Otto F. Arndt, Pastor Sunday, November 5.

Sunday school at 9:30 a. m. The child who attends Sunday school regularly during the formative years, when his mind is busy registering impressions for future use, can never forget the wholesome atmosphere, the inspiring hymns, and the fundamental Christian principles learned there. "Children pick up words as pigeons pease." Let your children pick up their words and thoughts, not from the street corner, but from the wholesome influence and atmosphere of their church and Sunday school.

9:30 a. m. Confessional service. Holy communion will be administered in the German service. Registration to be made at the parsonage Friday this week. A special preparatory service will be held from 9:30 to 10 o'clock. In order to allow sufficient time for the celebration of the Lord's Supper in the German service, the usual English worship will be omitted.

10:00 a. m. Divine service in German. Sermon by the pastor: on an appropriate Gospel theme.

Monday eve, Nov. 6, at 8:00 p. m. Regular monthly business and social meeting of St. Paul's Y. P. S. All young people of the congregation are urged to be present.

ST. JOHN'S EV. LUTH. CHURCH

WHEELING

The E. J. Welflin family motored to Aurora on Sunday afternoon to call on Mrs. A. Utpatel, Jr., who is convalescing in a sanitarium there.

About 20 members of Wheeling Camp R. N. A. enjoyed a Halloween party given by Des Plaines Camp last Thursday evening.

An Armistice Day dance will be held at Childerley Community center on Saturday evening, Nov. 11. Music will be furnished by a 5 piece orchestra, "The Midnight Serenaders." A committee in charge is planning an interesting program of specialty numbers. The community is invited to attend. A fee of 25 cents per person is asked, that to include refreshments.

Girls of high school age and up are invited to attend a tea to be held at Childerley next Sunday afternoon. At this time various girls activities will be planned and discussed. Also a class in dressing for girls and women is being organized to meet on Tuesday evenings at 7:30.

A Spiritual Recovery Crusade is to be carried on in Wheeling Presbyterian Church and the month of November has been designated as Loyalty month. The purpose of this crusade is to re-stimulate and re-vitalize the church life, and especially to realize these objectives through the stimulation of attendance at services during November.

The first Sunday of November will be Loyalty Sunday and it is our hope to realize 100 per cent attendance of the members and friends of the church. Your church in this community cannot carry on its work effectively without your loyal support in attending its services. We urge the members and friends to manifest their loyalty by being present at every service during November.

Visitation committees have been visiting the homes of members and friends of the church, to extend the invitation to join with us in making the month of November the outstanding month of the year, as regards attendance and activity in church. Everyone is cordially invited to join with us in worship at these services. If you are a member we believe it is your duty to be found at the place of worship both Sabbath morning and evening. If you are not a member we invite you to attend because we believe that no other institution can provide the highest things of community life as does the church. You can find no better place to spend an hour of your time. The program for the month, in detail will be found in this column next week.

To Boost Lake Zurich

Lake Zurich will have an active business men's association soon if its chief purpose will be to boost the village as a resort community.

Killed by Lightning

An unusual accident which occurred October 21 is chronicled in a recent issue of the Wauconda Leader. George Kautz, 34, of Chicago, was rowing on Slocum lake on a duck hunting expedition with his brother-in-law in another boat nearby, when a lightning bolt struck Kautz, killing him instantly.
